Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide information regarding one (1) AT&T employee located in Arizona that was given notice of a surplus condition. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff was intended to improve efficiencies and reduce business expenses. The reduction involved one management employee in the Chief Security Office organization. In an effort to redeploy the employee within AT&T, the employee retained access to the internal AT&T job search system. The employee was unable to locate another position within AT&T, and thus was laid off. If you have any questions regarding this report, please feel free to contact me at (512) 330-1698.

Very truly yours,

Sharon Mullin  
Director  
AT&T Services, Inc.
